---

Bill/Joy,

DEQ wants to take the lead on community involvement for the Wilcox Oil Company Superfund site. We will be starting the community interviews portion of preparing the Community Involvement Plan in the next few weeks. If you have any questions feel free to talk to Todd Downham the DEQ project manager. We may be calling you for advice and bounce ideas off of you. We will also let you guys review our draft CIP when it is ready.

Let me know if you have any questions!

Amy
